

**NOTICE OF COMPLETION AND AVAILABILITY
OF A DRAFT TRIBAL ENVIRONMENTAL IMPACT REPORT
FOR PUBLIC REVIEW**

The Yocha Dehe Wintun Nation (Tribe) has released a Draft Tribal Environmental Impact Report (TEIR) for the Cache Creek Hotel Expansion Project.

Proposed Project: Cache Creek Hotel Expansion Project.

Project Location: 14455 Highway 16, Brooks, CA 95606, in the Capay Valley area of Yolo County.

Project Description: The Proposed Project would result in the expansion of amenities and administrative support space at the existing Cache Creek Casino Resort (Resort). The project would include the construction of 459 additional hotel rooms, a new pool area, new and expanded restaurants in the existing Resort, and associated support facilities, all of which would be located on trust land adjacent to the existing Resort structures in areas that have been previously disturbed. The building site for the proposed hotel expansion and pool area is located in the south parking lot of the existing Resort and is presently paved and landscaped. Under the Proposed Project, all excavation, fill, construction staging, and construction parking would be on trust land.

Public Comment Period: September 23, 2016 to November 7, 2016. Written comments may be submitted to the Tribe at the following address, and must be postmarked by November 7, 2016.
